CIGRE Srbija

Study Committees D2 and C2

Dear Sirs,

CIGRE SRBIJA Committees, D2 - Information Systems and Telecommunications and C2 - System Control and Operation, organize the 14. Symposium POWER SYSTEM CONTROL AND TELECOMMUNICATIONS at Tara, Hotel Omorika, Serbia, 16 June - 18 June, 2008.

The significant role of the Symposium topics in the field of operation, development and restructuring of the Electric Power Industry of Serbia and Serbian Transmission System and Market Operator, will challenge the great attention of experts, industry and power utilities managers and energy economy planners. Consequently, we invite you, similar to the previous Symposia, to take advantages of this event, to promote programmes, services and products of your company. Also, the Symposium is a well recognized milieu to update already established and provide new business contacts. Taking into account above, the Marketing Programme has been prepared covering a few arrangements tailored to fulfill your business and professional interests.

Chairman of the Steering Committee
Miroslav Beleslin
